CONGRATULATIONS, DEAR STUDENT!

INTERNATIONAL SAKHAROV ENVIRONMENTAL INSTITUTE IS

- the leading education institution of Belarus for specialist training on environmental specialties;
- the base organization of the CIS countries on environmental education;
- unique environmental specialties.

MISSION

International Sakharov Environmental Institute's mission is to contribute to the formation of a specialist who feels the responsibility for the environmental condition and gains development based on deep knowledge, innovation thinking, nature saving technologies.

FACULTIES

Obtain environmental education at the following faculties:

- Environmental Monitoring;
- Environmental Medicine;
- Advanced Training and Retraining.

Separate direction of activity is an advanced training and retraining of the specialists of the Republic of Belarus, the CIS countries, and other states on radioecology, radiation safety, radiobiology, environmental medicine.

INTERNATIONAL COOPERATION

The most important activity direction is the academic mobility of students and ISEI BSU teaching staff.

There are 77 agreements on cooperation with foreign partners in the field of education, research and experience exchange.

Active international cooperation with the countries near and far abroad (joint projects, exchange programs).

The holding of international olympiads, scientific conferences («Sakharov readings», etc.).

FACULTIES

RESEARCH

Research and development, national and international projects in the sphere of elimination and prediction of radiation consequences, and other environmental disasters, radiation impact analysis and other environmental, technogenic factors on various ecosystems, diagnostics, disease prevention caused by unfavourable environmental factors, providing environmental monitoring and audit in other related fields.

Cooperation with IAEA, leading organizations in the sphere of ecology and medicine.

FACULTY OF ENVIRONMENTAL MONITORING

The faculty trains students on engineer specialties linked to the provision of rational natural resource use, environmental safety, and protection.

Practical classes are held in the institute laboratories equipped with modern facilities, industrial and energy sector enterprises of the Ministry of Nature Resources and Environmental Protection departments, research centers, Belhydromet, project organizations, Hi-Tech Park, and medical institutions.

Students learn foreign languages (English, German, French, Spanish).

SCHOLARSHIP

All budget form students receive the same scholarship from the 1st semester in the amount established by the government for the current year.

Students who have benefits can receive a supplement (for detailed info contact your dean's office).

Low-income family students have the right to financial help.

The students, who lead active public life and carry out research activity, have **the right to increased scholarship.**

It depends on the grade point average you get on the first examination session.

If your GPA lower than 5.0 you will lose the right to receive the scholarship.

TO ISSUE A BANK CARD

Bank card issuance needed to receive a scholarship provided centralized.

To apply for a bank card that is necessary for receiving a scholarship you need to contact OJSC «Belagroprombank» at Mayakovsky str., 154 or Partizansky ave., 52. Through some time, you'll be given a bank card and an agreement where your bank account number is indicated. You must give these data to the accountant's office.

REMEMBER!

REGISTRATION

The first-year full-time students need temporary registration. The student without registration has no right to medical service at the place of stay and no right to use Minsk libraries, also he can face difficulties with employment.

The registration of full-time nonresident students below 18 years old (without a place in a hostel) is free of charge.

Other full-time students from 18 years old can get registration upon request (if desired). The cost is 0,5 of the basic amount.

Registration will be provided in room 317 to 01.10.2021. Address: Dolgobrodskaya str., 23/1

Documents:

1. application for registration (room 317);
2. student verification paper (you may get it at Dean's office);
3. passport;
4. cheque for state fee payment (you can get the bank account in room 317).

Registration procedure provided up to three days since filling the application. After completion of the registration, you'll be given a certificate (at the place of stay).

MILITARY REGISTRATION

For young men who study at the first year full time (except foreign citizens):

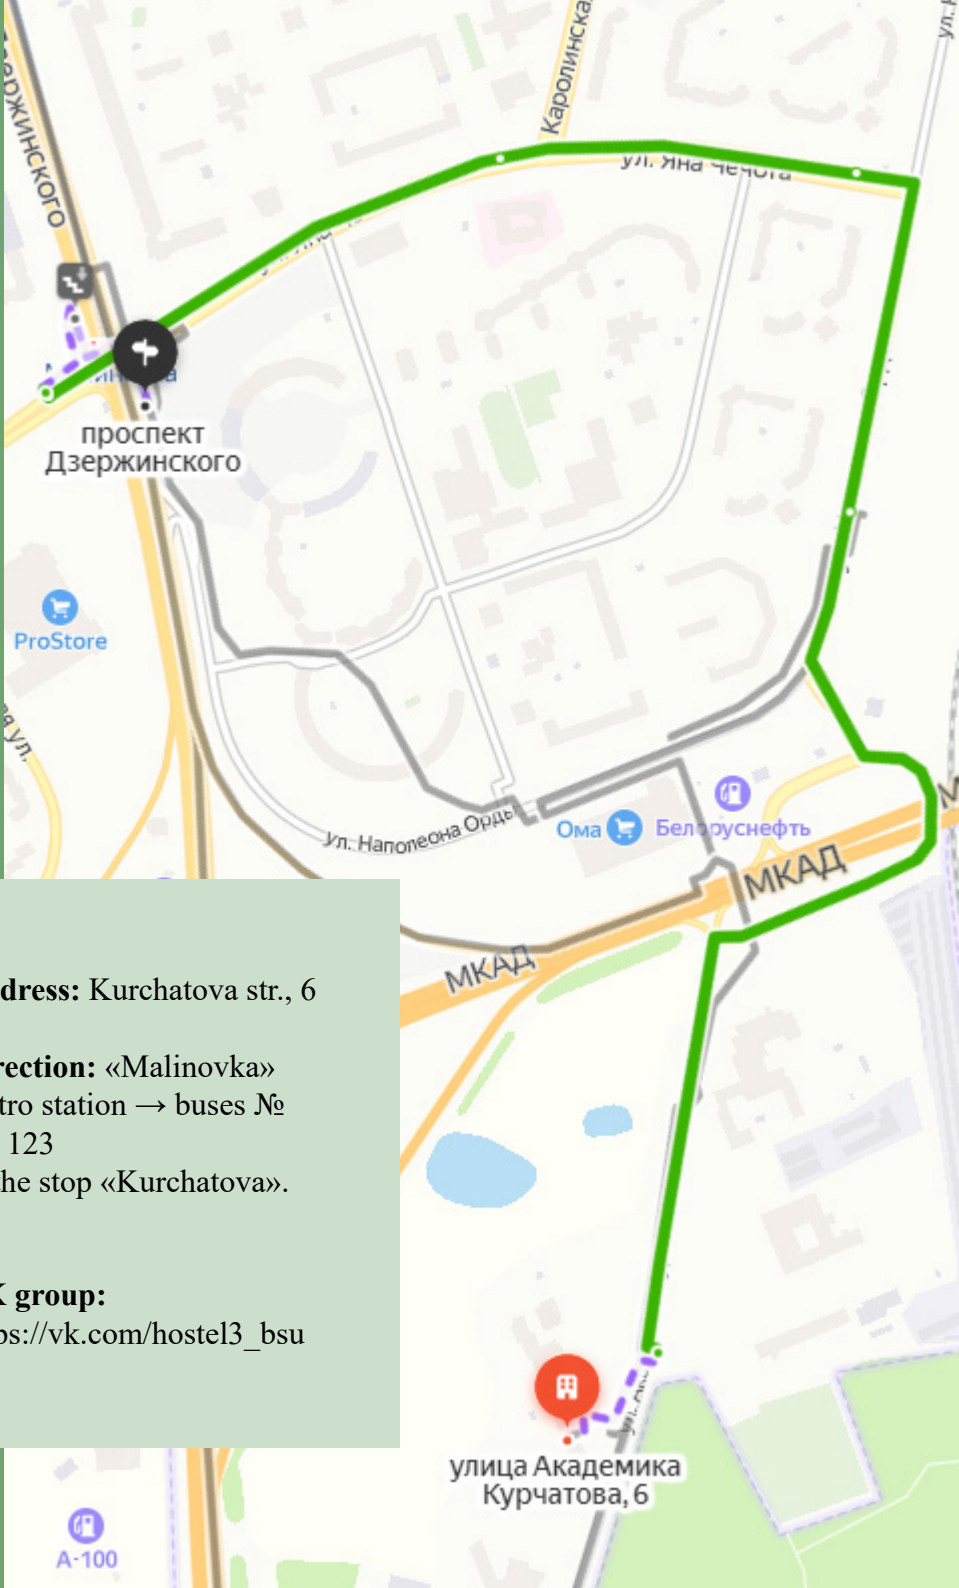

From 01.09.2021 to 01.10.2021 it is necessary to go through military registration at room 317 (Dolgobrodskaya str., 23/1). You need to fill in a special form (indicate personal data, the exact title of military commissariat you registered in).

You should bring back the filled form with exact information to room 317 (Dolgobrodskaya str., 23/1) during three days since notification.

Every student will be marked on the list after submitting the data. In case if there are students who didn't go through military registration after October 1, would be imposed disciplinary responsibility.

The first-year group monitors must contact room 317 (Dolgobrodskaya str., 23/1) to get forms for their groups.

FIND YOUR HOSTEL

Address: Kurchatova str., 6
