Forms of participation

- Report to the Plenary
- Report to the breakout session
- Poster presentation
- Correspondence participation

Registration fee:

- 20 EURO (full-time participation)
- 5 EURO (correspondence participation)

(at the rate of the National Bank of the Republic of Belarus on the day of payment).

Registration fee is paid after your report is included in the conference program, which will be posted on the conference website until 01.04.2022.

Registration fee does not cover transportation, accommodation and food costs.

Presentation of the materials of the reports:

To participate in the conference, you must:

- fill out the registration form posted on the website: <http://www.iseu.bsu.by>;

- send to the organizing Committee of the conference set of electronic materials: registration form and materials of the reports issued by the established local organizing Committee requirements. The content of the materials should correspond to the topic of the conference;

- enter into a contract to pay the registration fee for participation in the conference (the form of the contract is determined by the local organizing committee);

- submit a document confirming the payment of the registration fee.

Reports for the plenary session will be selected by the conference program committee.

Materials of the reports recommended by the chairs of the sections and round tables will be published in special issues of the scientific peer-reviewed Journal of the Belarusian State University Ecology, which is included in the list of the Higher Attestation Committee of the Republic of Belarus. The rules of registration are posted on the website www.iseu.bsu.by.

The collection of materials will be published based on the conference results. If the registration fee is not paid, report materials will not be published.

Collection of conference materials is included in the bibliographic database of scientific publications "Russian Science Citation Index" (RSCI), is placed in the scientific electronic library eLibrary.As in the BSU electronic library, the materials included in the collection are assigned a DOI.

Requirements for the design of the materials of the reports:

Volume: not less than 3.5 and not more than 4 full A4 pages.

Margins: top and right 2 cm each, bottom and left 2.5 cm each.

Font: Times New Roman; font size: 10 pt.

Line spacing: single; width alignment (for the main text).

Additional information: screen shot of the check in the "Antiplagiat" system:

at least 70 % of the original text (including self-citation).

**The materials of the reports should be provided in electronic form. Participants from Belarus also provide a paper version with the signature of the authors at the address:
Minsk, Dolgobrodskaya str., 23/1, k. 214, 215**

The manuscripts are not edited. The authors are responsible for the scientific content and presentation of the materials of the reports.
